

# You Wanna Know

Don Broco

Called me up one day  
Said you didn't mind  
Just called to find out  
What you thought already

What you hope I'd say?  
That you were my one true love, a lie  
But it'd keep you happy

So I told the truth  
Look at where it got me  
Girl did you have to mention  
Girl what you said

What you say, what you say  
Why you gotta be like that?  
Why you gotta be like that?  
She not gonna take me back  
What you say, what you say  
Why you gotta be like that?  
Why you gotta be like that?  
She not gonna take me  
Said you wanna know  
But I know you don't  
But I know you don't

You liked getting laid  
And it's not like you laid all of your cards out face up on the table

Never broke no rules  
Never crossed no boundaries  
Girl did you have to mention  
Girl tell me what to do

What you say, what you say  
Why you gotta be like that?  
Why you gotta be like that?  
She not gonna take me back  
What you say, what you say  
Why you gotta be like that?  
Why you gotta be like that?  
She not gonna take me  
Said you wanna know  
But I know you don't  
But I know you don't

You said you wanna know  
You said you wanna know  
But I know you don't  
But I know you don't

You said you wanted names  
You said you wanted dates  
But I know you don't  
But I know you don't

You said you have your cake

You said you eat your cake  
Now you know I won't

(Said you wanna know, oh oh ohoh, oh oh)

Why you gonna be like that?  
Why you gonna be like that?

(Whatchu' say, Watchu' say?)  
Why you gonna be like that?  
Why you gonna be like that?  
Is she not gonna take me back?

(Said you wanna know, oh oh ohoh, oh oh oh oh.)  
Why you gonna be like that?  
Is she not gonna take me back?

(Said you wanna know, oh oh ohoh, oh oh oh oh.)  
Why you gonna be like that?  
You ain't gonna have me back  
You ain't gonna have me back
