

## Get Up

Don Carlos

Get up, get up, get up  
Let's all unite (shoo-be-doop)  
Get up, get up, get up  
Stop fuss and fight (shoo-be-doop)

Too long we have been in the dark  
It's time for us to see the light (shoo-be-doop)  
And try to do the thing that is right  
In Jah Jah's sight (shoo-be-doop)

Killing your brothers everyday  
God will only like you go astray (shoo-be-doop)  
And soon one day I know  
You'll have your day (shoo-be-doop)

Too long we have been in the dark  
It's time for us to see the light  
And try to do the thing that is right  
In Jah Jah's sight (shoo-be-doop)

Killing your brothers everyday  
God will only like you go astray  
Soon one day I know  
You gonna have your day (shoo-be-doop)
