She can't let her mammy know
And she can't tell her daddy so
Cause they would be so mad
And they would be so sad
Hey, I love her, I love her ooh-ohhh
And she love I, she love I, hey-hey
Oooh, I love her, I love her yeah heey

When she's walking on the street
All the boys said: "she look so sweet"
When she's walking on the street
All I can hear, is: "psss psss psss"
I love her, I love her ooh-ohhh
Cause she don't get attracted to the sound
I love her, I love her ooh-ohhh
Cause she don't get attracted to the sound

With a dreadlocks, a dreadlocks
