

Mama Guitar

Don Cornell

(CHORUS)

Hey, mama, mama guitar
Hey, mama guitar
Sweet mama, mama guitar
I love my mama guitar

A mama guitar
Beats a woman every time
A mama guitar
Beats a woman every time

You can strum her
You can thump her
You can throw her on the floor
You can pick her
You can dump her
But she'll only cry for more

A mama guitar
Beats a woman every time

(CHORUS)

A mama guitar
Beats a woman every time
A mama guitar
Beats a woman every time

You can walk away and leave her
And she won't sneak out and cheat
You can take her on your travels
And she never has to cheat

A mama guitar
Beats a woman every time

(CHORUS)

A mama guitar
Beats a woman every time
A mama guitar
Beats a woman every time

You can tease her
You can squeeze her
Make her sing sweet and blue
And if the strings get rusty
You can trade her in for new

A mama guitar
Beats a woman every time

Hey, mama, mama guitar
Hey, mama guitar
Sweet mama, mama guitar

I love my mama

I love my mama
I love my mama
I love my mama

I love, love, love, love
Love, love, love, love
Love my mama guitar
I love my mama guitar
