

Almost

Don Gibson

Almost you fell in love with me
Almost you were my bride to be
But each promise that was made
You have broken and betrayed
And left me with a faded memory
Almost my precious dreams came true

Almost you whispered dear I do
But someone new came by
And you left me here to cry
Oh, how close we were almost

Almost I heard the church bells ring
Almost I heard the choir sing but I hear now
Instead all those unkind words you said
I remember every little thing

Almost your heart I did possess
Almost you brought me happiness
My dreams just won't come true
And there's nothing I can do
Oh, how close we were almost
