

## As Much

Don Gibson

As much as the stars need the heaven  
As much as the roses need dew  
As much as the plea in a baby's cry  
Well, that's how much I need you

As much as the flowers need sunshine  
As much as the sky needs the blue  
As much, as much as my love is true  
Well, that's how much I need you

I need you, I need you to guide me  
This much I know it's true  
You alone are my inspiration  
In everything I do

As much as the stars need the heaven  
Well, that's how much I need you
