

Everybody But Me

Don Gibson

Everybody, everybody
Everybody but me

Everybody's got someone carin'
Everybody's got a love they're sharin'
Everybody, everybody but me

Everybody is gettin' ready
Everybody is goin' steady
Everybody, everybody but me

I stay home on a Friday night
I go to bed at eight
On Saturday night I'm all alone
Still ain't got a date

Everybody's out romancin'
Havin' fun and goin' dancin'
Everybody, everybody but me

I stay home on a Friday night
I go to bed at eight
On Saturday night I'm all alone
Still ain't got a date
