

Good Deal Lucille

Don Gibson

Goodbye Lou cherche vous another man
Say amour, portoujour if you can
You're high class, you've got a past
Now you're a wheel ho ho, good deal Lucille
Go your way, leave today, that's your plan
Leave me here, cherche vous another man
Paint the town, sorrows drown, that's how I feel
Ho ho, good deal Lucille
Parlez vous, here's to you, it's your game
If I'm here or I'm gone, it's all the same
Call the tune, stack the cards, this is your deal
Ho ho, good deal Lucille.
Au revoir, so long and goodbye
See'est la vie, woe is me, oh my
Paint the town, sorrows drown, that's how I feel
Ho ho, good deal Lucille
