

## Hurtin' Inside

Don Gibson

She told me she love me, she told me a lie  
She said I'd be happy then she made me cry  
Well, I'm hurtin', hurtin' inside

She called me a baby in front of these guys  
She was just flirtin' I wasn't wise  
Now I'm hurtin', hurtin' inside

Tell me what's wrong in me?  
What makes me live in memory?  
Someday she'll be sorry just to wait and see  
Someone's a gonna hurt like she hurt me  
Then she'll be hurtin', hurtin' inside

Tell me what's wrong in me?  
What makes me live in memory?  
Someday she'll be sorry just to wait and see  
Someone's a gonna hurt like she hurt me  
Then she'll be hurtin', hurtin' inside

She'll be hurtin', hurtin' inside  
She'll be hurtin', hurtin' inside
