I'm Sorry For You My Friend

Don Gibson

You'd known so long that you were wrong But still you have your way You told her lies and alibis And hurt her more each day

But now your conscience bothers you You've reached your journey's end You're asking me for sympathy I'm sorry for you, my friend

You laughed inside each time she cried You tried to make her blue She tugged along through right or wrong Because she worshiped you

You know that you're the one to blame There's no use to pretend Today's the day you start to pay I'm sorry for you, my friend

Today as she walked arm in arm At someone else's side
It made you stop and realize
That time has turned to tide

You should've known you'd be alone 'Cause cheaters never win
You tried and lost, now pay the cost
I'm sorry for you, my friend
