

It Only Hurts For A Little While

Don Gibson

It only hurts for a little while
That's what they tell me that's what they say
It only hurts for a little while
Then all your heartaches will fade away

It's so easy to be smart
With somebody else's heart
But I don't know how to start forgetting you
What can I do?

It only hurts for a little while
That's what they tell me just wait and see
My heart will break
Till you come back to me

My heart will break
Till you come back to me
