

Known Only To Him

Don Gibson

When my eyes behold the stars
This heart of mine is filled with wonder
My poor mind cannot grasp their array
But the hand that spilled them there
All across the wide heaven
Had a plan when He placed them that way

Known only to Him
Are the great hidden secrets
I'll fear not the darkness when my flame shall dim
I know not what the future holds
But I know who holds the future
It's a secret known only to Him

In this world of fear and doubt
On my knees I ask the question
Why a lonely heavy cross I must bear?
Then He tells me in my prayer
It's because I am trust worthy
He gives me strength far more than my share

Known only to Him
Are the great hidden secrets
I'll fear not the darkness when my flame shall dim
I know not what the future holds
But I know who holds the future
It's a secret known only to Him
