

Mixed Up Love

Don Gibson

I'm in I'm out sure then I'm in doubt
What a crazy kind mixed up love I'm in
I win I lose I'm happy then I'm blue
What a crazy kind mixed up love I'm in
I tell myself I ought to leave you I almost make it through the
door
I'd be a fool to try and leave you I'll just come back for me
Your hello goodbye make me laugh then cry
What a crazy kind mixed up love I'm in
Oh and I tell myself I ought to leave you
