

My Love For You

Don Gibson

Castles were made high and mighty
And oceans were made deep and wide
We were made for each other, that's how I feel
About my love for you

Up in the sky is a rainbow
That some people say has no end
This I don't know it's true
But there's no end of my love for you

Living each moment, waiting for your touch
Praying each night, you'll want me half as much
Vows that are made are sometimes broken
And someone you trust and prove untrue

But I'll never be unfaithful
For you can trust in my love for you
You can trust in my love for you
