

# My Love For You

Don Gibson

Castles were made high and mighty  
And oceans were made deep and wide  
We were made for each other, that's how I feel  
About my love for you

Up in the sky is a rainbow  
That some people say has no end  
This I don't know it's true  
But there's no end of my love for you

Living each moment, waiting for your touch  
Praying each night, you'll want me half as much  
Vows that are made are sometimes broken  
And someone you trust and prove untrue

But I'll never be unfaithful  
For you can trust in my love for you  
You can trust in my love for you
