

# Heartache Away

Don Johnson

I'm back on the street  
Baby, I'm downbeat  
You know it's you I see  
In every girl I meet

I'm giving you up  
And it's getting me down  
Everybody's talk, talking at me  
It's all the same sound

I hang up the phone  
I go out alone  
There's nothing left to say  
Love's a heartache away

When I lost you, baby  
I lost it all  
They say in love and romance  
We all take a fall

Go to places we'd go  
And talk to people we know  
I'll get over you someday  
Love's just a heartache away

I hang up the phone  
I go out alone  
Nothing left to say  
Baby, love's just a heartache away

I hang up the phone  
I go out alone  
There's nothing left to say  
Baby, love's just a heartache  
A heartache away

I'm giving you up  
And it's getting me down  
Everybody's talk, talking at me  
It's all the same damn sound

I hang up the phone  
I go out alone  
There's nothing left to say  
Baby, love's just a heartache away

Hang up the phone  
I go out alone  
There's nothing left to say  
Baby, love's just a heartache  
A heartache away

Love's a heartache away  
(A heart ache away)  
It's just a heart ache away  
(A heart ache away)  
Love's a heartache away
