Till Tomorrow

Don McLean

What can this be, can you tell me? Would you like to discover Why we're not free to be lovers? I've been wanting to ask you

Where has all the love gone And what have we become? Storm clouds full of thunder Move silent as they drum

And when they're gone, we'll be fine till tomorrow Oh I hope it won't rain You will be mine and my sorrow Will take wings in the morning

High above the Heavens A rainbow paints the sky White doves sing their songs of love I watch them as they fly and wonder

What can this be, can you tell me? Would you like to discover Why we're not free to be lovers?
