Winterwood

Don McLean

- 1. No one can take your place with me And time has proven that I'm right There's no place I'd rather be Than at your place for the night
- 2. No time can pass your sight unseen No moment steals away unfound Lifetime lived in such a dream Floats like a feather to the ground
- R: And for the first time I've been seeing
 The things I'd never noticed without you
 And for the first time I'm discovering
 The things I used to treasure about you
- 3. The birds like leaves on Winterwood
 Sing hopeful songs on dismal days
 They've learned to live life as they should
 They are at peace with Nature's ways
- 4. You are as natural as the night
 And all that springs from you is good
 And the children born beneath your light
 Are like the birds on Winterwood
- R: And for the first time...
