

I Just Want to Be Where You Are

I Just Want To Be Where You Are
Don Moen

verse1:

I just want to be where you are
Dwelling daily in your presence
I don't want to worship from afar
Draw me near to where you are

I just want to be where you are
In your dwelling place for ever
Take me to the place where you are
coz I just want to be with you

I want to be where you are
Dwelling in your presence
Feasting at your table
Surrounded by your glory
In your presence
Thats where I always want to be
I just want to be
I just want to be with you

I just want to be where you are
To enter boldly in your presence
I don't want to worship from afar
Draw me near to where you are

Oh my God,
You are my strength and my song
And when I'm in your presence
Though I'm weak you'r always strong

I just want to be with you
I just want to be
I just want to be with you
I just want to be
I just want to be with you
