

## I Was Glad (Psalm 122:1)

Don Moen

I was glad when they said unto me  
Let us go into Your house O Lord  
No greater joy  
Than to be in this place  
To lift my voice and sing Your praise

Here we are in Your courts we stand  
With our hearts and hands upraised  
Here we are by the blood of the Lamb  
By Your grace we come  
And by Your grace we stand
