

Jesus You Are My Healer

Don Moen

Jesus, Son of God
Only You can save me
Suffering on the cross
You gave Your all
Willingly paid the cost for me
Now I am free to worship

Jesus, You are my healer
O Jesus, touch me and I will be free
Lord by Your stripes I am healed
O Jesus, You are my savior
O Jesus, You are my strength and my shield
I put my trust in Your name
In Your name, Jesus

Lord Your name is great
A refuge I can run to
A shelter from the storm
A faithful friend
And I can depend on You
My God, my King
I lift my voice and worship

O Jesus, Jesus
O Jesus, Jesus, Jesus...
