

No Fear

Don Moen

A thousand may fall even more at my side / There are rumors of war on the earth / The world may be shaking and flood waters rising / But I'll be standing firm on Your Word

When I am afraid I will put my hope in God / When I am dismayed / Even then I won't give up

You are my Strength / You are my Portion / When I go through the waters / I will have no fear / I will have no fear / You are my Shield / You are my Saving Light / When I go through the blazing fire / I will have no fear

In the midst of night when I can't see the light / And the shadows of the valley surround / I will walk on in faith / Holding onto Your Name / And letting go of all of my doubt

When I am afraid I will put my hope in God / When I am dismayed / Even then I won't give up

You are my Strength / You are my Portion / When I go through the waters / I will have no fear / I will have no fear / You are my Shield / You are my Saving Light / When I go through the blazing fire / I will have no fear

Oh I am not afraid no / Oh What can they do to me / Oh I am not afraid no / Why should I be / Why should I be / Oh I am not afraid no / Oh What can they do to me / Oh I am not afraid no / Why should I be

You are my Strength / You are my Portion / When I go through the waters / I will have no fear / I will have no fear / You are my Shield / You are my Saving Light / When I go through the blazing fire / I will have no fear
