

Sacrifice of Praise

Don Moen

How can I say thanks
For everything You've done
And how can I give praise
Lord You've given me so much
You gave it all
You paid the price
Now I want to give You my life

CHORUS:

As a sacrifice of praise
O lift it up to You
Lord I give my heart away
O I give it all to you
Lord make my life an offering
Let me worship You in everything I do

A sacrifice of praise I give to You

In sunshine and in rain
In sorrow and in pain
Lord I will give You praise
And choose to bless Your name
You gave it all
And You paid the price
Now I want to give You my life

Lord I want to lift You up
Lord I want to lift You up
