

# Thank God I'm Free

Don Moen

I was walking down a dead-end road  
Carrying such a heavy load  
But You lifted me with a mighty hand  
And You taught feet just how to dance

Thank God I'm free  
Hey, I'm free to run again  
Free to throw away these chains  
Thank God I'm free  
I'm free to live again  
Never holding back again  
Thank God I'm free  
Thank God I'm free  
Thank God I'm free

Every sorrow You replace with joy  
I have every reason to rejoice  
You broke the walls that held me in  
Now I can shout and I can sing

I just can't go back to where I've been  
Living captive to the fear of men  
I will not give up, I won't give in  
I'm holding nothing back  
I'm holding on to You

Thank God I'm free  
Hey I'm free to run again  
Free to throw away these chains  
Thank God I'm free  
I'm free to live again  
Never holding back again  
Thank God I'm free  
I'm free to run again  
Free to throw away these chains  
Thank God I'm free  
Hey, I'm free to live again  
Never holding back again

Thank God I'm free  
Thank God I'm free  
Thank God I'm free

I'm free
