

## The Lord Is My Strength And My Song (Psalm 118:14)

Don Moen

The Lord is my strength and my song  
He has become my salvation  
Under the shadow of His wings I belong  
I will give thanks to the Lord

The Lord is my sword and my shield  
He is my light and my glory  
All of creation will bow down and yield

Off'rings of thanks to the Lord  
In my trouble I cried to the Lord  
He saw my distress and He saved me  
I will sing praises to You O my God  
for You are my song
