

## Think About His Love

Don Moen

Think about His love, think about His goodness  
Think about His grace that's brought us through  
For as high as the heavens above  
So great is the measure of our father's love  
Great is the measure of our Father's love  
So great is the measure of our Father's love

How could I forget His love  
And how could I forget His mercies  
He satisfies, He satisfies, He satisfies my desires

Think about His love, think about His goodness  
Think about His grace that's brought us through  
For as high as the heavens above  
So great is the measure of our father's love  
Great is the measure of our Father's love

Great is the measure  
Great is the measure  
Great is the measure  
Great is the measure of our Father's love  
Great is the measure of our Father's love
