

You Will Be My Song

Don Moen

You know my needs
All that's unspoken
You hold the pieces
Of all that's been broken

Even when a melody won't come
Even when my words are not enough

You will be my song
You will be my praise
You will be my voice
When I'm lost for words to say
You will be my strength
You will lift me up
You will be my portion
And my everlasting love
You will be my song

Before I call
I know You'll hear me
When hope is gone
Still You are near me

Even when the answer is delayed
Even through the darkness I will say

You will be my song
You will be my praise
You will be my voice
When I'm lost for words to say
You will be my strength
You will lift me up
You will be my portion
And my everlasting love
You will be my song

Oh
Oh
Oh
Oh

Even when I feel like I'm alone
I know You'll never leave me on my own

You will be my song
You will be my praise
You will be my voice
When I'm lost for words to say
You will be my strength
You will lift me up
You will be my portion
And my everlasting love

You will be my song
You will be my praise
You will be my voice
When I'm lost for words to say

You will be my strength
You will lift me up
You will be my portion
And my everlasting love
You will be my song
