

# How We Roll

Don Omar

Yeah, yeah, yeah yeah  
Don Omar, J-Doe, Reek da Villan, Bus-a-Bus  
Come on, come on

That's how we roll, we roll like this

Now now now now now  
Ya'll know what we do, ya'll know exactly how we rolling  
And we hugging every block don't matter how police petrol it  
If we do it how we do it whether it's now or it's later  
And we always handle business cause we poww in this paper  
What you want, what you need, as we walk through every gutter  
Every hood and every street and every block we got it covered  
Throwing money while we in the club with shorties on our pole us  
Get it popping in this bitch, me and my clique coming through  
that's how we

That's how we roll, we roll like this

Yeah, he he, yeah  
Hey let's get it

Reek da Vill' get'em

Hop in any vehicle I choose  
I get up in that 'Vet and start it all you hear is vooom  
Roaring up the engine 'till it blew like a bloon  
Light my dutch hit the clutch stow it in the gear and peeew  
Wilding in the fast cars driving like it's NASCAR  
Tearing up the asphalt when I'm in that Jaguar  
Dipping away from Nason, redlining the dash board  
Exhaust blowing fire like a rocket 'bout to blast yo, fast yo

Yeah, yeah, J-Doe I rock'em  
You know how we roll (roll), you know how we do it (do it)  
You know we the realest when it come to doing music  
don't wanna see me prove it baby, if I gotta lose it  
Then it's on turn ya radio on, you gon hear the newest  
J-Doe spit hate on this, why the hell you doing that  
I done held you being loser, hating on me I'm the best  
I be pissing on competition if there's any give me more my flows  
Or let me get me used up fork don't need a Jimmy and Newegie boys

That's how we roll, we roll like this

We roll like this let me talk to'em  
Here we go here we here we go again  
Pedal to the medal now we blowing in the wind  
Top back nigga better stop that  
If you trynna front you already know we killers to the end  
Everyday we gotta go secure another win  
Put that money where ya mouth will spend  
Let's get it popping everybody know that  
When we in the building, here we go again  
Couple Porsches, couple Bugatti's, Phantoms  
Derek, Lam', Lenches, couple of Maybachs  
Suited and booted, SLR McLaren bitches

Rolling see the way we holding see the way we folding  
Everybody see the way we hit it, chosen when we hit the road and  
Everthing is golden ya'll already know how we get it (through)  
Peel out on they ass, 160 weed on the dash  
Hand on the wheel I'ma feed on the gas, got everything on smash  
Don know Moles kid, Reek da Vill', J-Doe weee  
See the way we do it, see the way we cut up  
Put ya money where ya mouth is or shut up  
Legal shots everybody in the place let me see you put ya gun up  
We gon pop ready, if you ready, ya'll already knoe to where we run up  
When we come to take over the streets ya'll niggas know the goal  
Every time we put it down the whole world knows that's how we

That's how we roll, we roll like this
