

I Would Like To See You Again

Don Williams

I was sittin' here thinkin' about some old times
Some old times, some old friends
And suddenly it came across my mind
I would like to see you again.

Remember how we used to walk and talk
Walk and talk, holdin' hands
We said we love each other, I recall
We made a lot of future plans.

But the years have come and gone
And a whole lot has happened since then
But tonight your memory's awful strong on my mind
And, I would like to see you again.

It's funny how a feeling will come back
It'll come on back, make you blue
'Cause I just saw a picture in my mind
'Bout a time, of me and you.

But the years have come and gone
And a whole lot has happened since then
But tonight your memory's awful strong on my mind
And, I would like to see you again.

Yes, the years have come and gone
And a whole lot has happened since then
But tonight your memory's awful strong on my mind
And, I would like to see you again...
