

# If She Just Helps Me Get Over You

Don Williams

It may not make me tremble,  
The soft touch of her hand  
But she won't break my heart  
The way you do  
So I'm gonna try to give her  
The best love that I can  
If she just helps me get over you.

If she just picks me up when I get down  
If she's there when the memories  
Walk around  
Maybe someday  
I'll love her  
As much as I love you  
If she just helps me get over you.

I don't suppose that lovin'  
Will ever be the same  
But she wants me  
The way I wanted you  
So I'm gonna try to give her  
The best love that I can  
If she just helps me get over you.

If she just picks me up when I get down  
If she's there when the memories  
Walk around  
Maybe someday  
I'll love her  
As much as I love you  
If she just helps me get over you
