

# Lay Down Beside Me

Don Williams

I've spent my life looking for you  
Finding my way wasn't easy to do  
I know there was your all the while  
And it's been worth every mile

So lay down beside me  
Love me and hide me  
Kiss all the hurtin of this world away  
Hold me so close that I feel your heartbeat  
And don't ever wander away

Mornings and evenings all were the same  
And there was no music till I heard your name  
But I knew when I saw you smile  
Now I can rest for awhile

So lay down beside me  
Love me and hide me  
Kiss all the hurtin of this world away  
Hold me so close that I feel your heartbeat  
And don't ever wander away

And don't ever wander away.....
