

Lay Down Sally

Don Williams

There is nothing that is wrong
Wanting you to stay here with me
I know you got somewhere to go
Won't you make yourself at home and never leave
And don't you ever leave
Lay Down Sally resting in my arms
Don't you think you want someone to talk to

Lay Down Sally no need to leave so soon
I been tryin' all night long just to talk to you
Sun ain't nearly on the rise
We still got the moon and stars above

Underneath the velvet skies
Love is all that matters won't you stay with me
And don't you ever leave
Lay Down Sally resting in my arms

Don't you think you want someone to talk to
Lay Down Sally no need to leave so soon
I been tryin' all night long just to talk to you
I long to see the mornin' light

Color in your face so dreamily
So don't you go and say goodbye
You can lay your worries down and stay with me
And don't you ever leave

Lay Down Sally resting in my arms
Don't you think you want someone to talk to
Lay Down Sally no need to leave so soon
I been tryin' all night long just to talk to you
