

Listen To The Radio

Don Williams

I guess as a lover I have a ways to go
When someone wants you they should just say it's so
But you'll understand if you'll take my hand
Then we can dance real slow.
To something on the radio.

Listen to the radio
Listen to the radio.
Let's spend the night together

Baby don't go
They sing it on the radio.
The words I'd say
Don't seem to sound as real

The songs they play
That's how I really feel.
Listen to the radio

Listen to the radio.
Let's spend the night together

Baby don't go
They sing it on the radio.
I try to find a way to explain to you
What's on my mind
And not sound so plain to you
But you'll realize if you'll close your eyes
The feelings my words can't slow.
They're playing on the radio.
