## **Lord Have Mercy On A Country Boy**

## **Don Williams**

Well, I grew up wild and free Walkin? these fields in my bare feet There wasn?t no place I couldn?t go With a 22 rifle and a fishing pole

Well, I live in the city but don?t fit in You know it's a pity, the shape I?m in Well, I got no home and I got no choice Oh Lord, have mercy on a country boy

When I was young I remember well I?d hunt the wild turkey and the bob white quail The river was clear and deep back then And fishin? lines tied to the willow limb

Well, they dammed the river, they dammed the stream They cut down the cypress and the sweet gum trees There?s a laundry mat and a barber shop And now the whole meadow is a parkin? lot
