

# Rake And Ramblin' Man

Don Williams

I ran into an old friend of mine the other day  
We hadn't seen each other for quite a while  
What he had to say to me hit me pretty hard  
'Cause I think a lot of folks get started this way, he said.

I thought it would be so easy  
Another one-night stand  
She seemed so warm and willing  
Right in the palm of my hand  
Now its three months ago last Wednesday  
Since I woke up in her bed  
Lord, I think I love her,  
But it scares me half to death.

'Cause you know I'm a rake and a ramblin' man  
Free as an eagle flies  
Well, look at me now and tell me true  
Do I look like a daddy to you?  
Oh, do I look like a daddy to you?

Now she's feeling' sick in the mornings,  
She can't get into her jeans  
I spent my last ten dollars,  
Bought her a second hand ring  
I start to work next Monday,  
Cause I just can't let her down  
I've had me some good times,  
But it's all changin' now.
