

# Too Much Love

Don Williams

Too much coffee, too much tea,  
Too much sugar isn't good for me.  
Too much money and too much fame,  
Too much liquer drives a man insane.

But too much love, too much love,  
There's no such thing as gettin' too much love  
Oohh love, Oohh love,  
There's no such thing as gettin' too much love.

Too much fighting and misery,  
there's too much trouble in this world for me.  
There's too much of this and too much of that  
and too much of anything will make you fat.  
But too much love, too much love,  
there's no such thing as gettin' too much love.

Too many people saying don't do that,  
It's a no, no, no, no, no.  
I don't need telling where it's at  
I said I know, know, know, know, know, know.

Too much pleasure and too much pain,  
Somewhere someone's getting too much rain  
And too much junk's being advertised  
And too much television hurts your eyes.

But too much love, too much love,  
There's no such thing as gettin' too much love  
Oohh love, Oohh love,  
There's no such thing as gettin' too much love.

La la la la, la la la la, la la la la la la la la la la  
La la la la, la la la la, la la la la la la la la la la...
