

We're All The Way

Don Williams

There's no cause to think that I won't stay
Haven't I been with you all the way?
There's no time like now to make amends
After all, we are more than friends

This could be the time for you and me
We could go wherever we should be
So don't put words between us we shouldn't say
And don't be acting halfway
When you know we're all the way

There are times when I don't see the light
Well I don't know if what I do is right
But when I'm wrong, it's never meant for you
So, don't confuse my love with what I do

This could be the time for you and me
We could go wherever we should be
So, don't put words between us we shouldn't say
And don't be acting halfway
When you know we're all the way
