

## We're All The Way

Don Williams

There's no cause to think that I won't stay  
Haven't I been with you all the way?  
There's no time like now to make amends  
After all, we are more than friends

This could be the time for you and me  
We could go wherever we should be  
So don't put words between us we shouldn't say  
And don't be acting halfway  
When you know we're all the way

There are times when I don't see the light  
Well I don't know if what I do is right  
But when I'm wrong, it's never meant for you  
So, don't confuse my love with what I do

This could be the time for you and me  
We could go wherever we should be  
So, don't put words between us we shouldn't say  
And don't be acting halfway  
When you know we're all the way
