

# We've Got A Good Fire Goin'

Don Williams

There's a storm rollin' over the hill  
And the willow trees are blowin'  
I'm standin' here starin' out the window  
Safe and warm  
I feel her put her arms around me  
And its a good feelin' I'm knowin'  
Oh, I've got a good woman  
And we've got a good fire goin'.

We've got a feast on the supper table  
And bread for breakin'  
A blessing from the Lord  
For makin' me such a fortunate man  
The light of my life in the candle  
Her face a glowin'  
Oh, I've got a good woman  
And we've got a good fire goin'.

So let it rain  
(let the rain fall down)  
Let it rain  
It won't do nothin' but kindle  
A never ending flame  
Let it rain  
(let the rain fall down)  
Let it rain til mornin'  
Oh, I've got a good woman  
And we've got a good fire goin'.

Now there's a hard rain fallin' on the roof  
Coffee comin' from the kitchen  
I'm lyin' here listenin' to the ceiling  
On the living room floor  
I feel her lay down beside me  
My love is overflowin'  
Oh, I've got a good woman  
And we've got a good fire goin'.

So let it rain  
(let the rain fall down)  
Let it rain  
It won't do nothin'  
But kindle a never ending flame  
Let it rain  
(let the rain fall down)  
Let it rain til mornin'  
Oh, I've got a good woman  
And we've got a good fire goin'.

Oh, I've got a good woman  
And we've got a good fire goin'...
