

What Does It Matter To Me

Don Williams

I see her walkin' down the street
What does it matter to me
I can wonder who she might be
What does it matter to me

Is there someone who
She could be runnin' to
She's gonna do what she's gonna do
What does it matter to me

Seems she's everywhere I look
What does it matter to me
And her looks could fill a book
What does it matter to me

There's no need for me to try
Or even wonder why
Just let her walk on by

On winter's eve, my soul has soared
With desert's evening sky
But never seen the beauty,
I see in her eyes...

There's no need for me to try
Or even wonder why
Just let her walk on by
What does it matter to me
What does it matter to me

What does it matter to me

What does it matter to me...
