

Years from Now

Don Williams

Years from now,
I'll want you years from now
I'll hold you years from now
As I hold you tonight

You are my one true friend
Always my one true friend
And I'll love you till life's end,
As I love you tonight.

I know this world that we live in
Can be hard now and then
And it will be again,
Many times we've been down

Still love has kept us together
For the flame never dies
When I look in your eyes
All the future I see.

Holding you years, from now
Wanting you years, from now
Loving you years, from now
As I love you tonight...
