

## Years from Now

Don Williams

Years from now,  
I'll want you years from now  
I'll hold you years from now  
As I hold you tonight

You are my one true friend  
Always my one true friend  
And I'll love you till life's end,  
As I love you tonight.

I know this world that we live in  
Can be hard now and then  
And it will be again,  
Many times we've been down

Still love has kept us together  
For the flame never dies  
When I look in your eyes  
All the future I see.

Holding you years, from now  
Wanting you years, from now  
Loving you years, from now  
As I love you tonight...
