Walk Between Raindrops

Donald Fagen

A shadow crossed the blue Miami sky As we hit the causeway by the big hotel We fought Now I can't remember why After all the words were said and tears were gone We vowed we'd never say goodbye

When we kissed we could hear the sound of thunder As we watched the regulars rush the big hotels We kissed again as the showers swept the Florida shore You opened your umbrella But we walked between the raindrops back to your door

In my dreams I can hear the sound of thunder I can see the causeway by the big hotels That happy day we'll find each other on that Florida shore You'll open your umbrella And we walk between the raindrops back to your door
