

If I Can't Say A Word

Donald Lawrence

If I can't say a word, I'll just wave my hand
If I can't say a word, I'll just wave my hand
I get so full, I would explain it if I could
God's been just that good
Sometimes I get so filled up
Like an overflowing cup
Can't seem to find the right words to say
Holy spirit have your way
If I can't say a word, I'll just wave my hand
If I can't say a word, I'll just wave my hand
I get so full, I would explain it if I could
God's been just that good
When I think of His love for me
The way He looks out for me
Sometimes I find myself speechless
His favor leaves me breathless
If I can't say a word, I'll just wave my hand
If I can't say a word, I'll just wave my hand
I get so full, I would explain it if I could
God's been just that good
Can I just wave it?
Can I just wave my hand?
Can I just wave it?
Can I wave my hand?
Can I just wave it?
Can I just wave my hand?
Can I just wave it?
Can I wave my hand?
Can I just wave it?
Can I just wave it?
Can I wave my hand?
Can I just wave it?
Can I just wave it, wave it?
Can I wave my hand?
God has been, been just that good
God has been, been just that good
God has been, been just that good
