

# Not Making Sense, Making Faith

Donald Lawrence

[Verse:]

Faith is the substance of things hoped for,  
The evidence of things not seen.  
It lives beyond the senses,  
You can't see it, you can't feel it, you just have it.  
I'm in a season that requires GREAT faith.  
Fear and doubt are all around me.  
But I'm standing on what The Word says.  
Faith is the evidence of what I can't see.  
And when people doubt the things that I do.  
When I do what God told me to...  
For the rest of my life I'm not making sense,  
I'm making faith.

[Chorus:]

Don't know how I'm gonna get there.  
But I walk by faith Don't know how I'm gonna live there.  
But the just shall live by faith Can't even see the purpose that's waiting there.  
But I trust the author of my faith.  
And when people ask how I'm gonna do,  
When I do what God told me to...  
For the rest of my life I'm not making sense,  
I'm making faith.

[Bridge:]

By faith we proclaim (understand).  
By The Word the worlds were framed  
For that which is seen  
Hath not come from what appears in the scene  
So don't try and convince when your path doesn't make sense  
God is the author and finisher of your faith...  
Stay In Faith You may not know how your gonna get there  
But just walk by faith  
You may not know how your gonna live there  
But the just shall live by faith  
You can't even see the purpose that's waiting there  
But TRUST the author of your faith

[Outro:]

And when people doubt the things that you do  
When you do what God told you to... (tell them this)  
For the rest of my life I'm not making sense, I'm making faith.
