

The Gift

Donald Lawrence

[Unison Choir]

The gift it looks good on you

[Repeat x4]

[Unison Choir]

The systems of the world

Will try to take your confidence

But these systems were designed to make you doubt what heaven sent

The systems of the world

Will try to take your confidence

But these systems were designed to make you sit down on your gift

But the gift God gave to you, give it back to Him

When He sees it operating, it's a compliment to Him

But the gift God gave to you, give it back to Him

For the gift it will make room, position, for great men to see you

[Unison Chorus]

The gift it looks good on you

It looks good on you

The gift it looks good on you

It looks good

The gift it looks good on you

It looks good on you

The gift it looks good

And you wear it well

God has graced you and you wear it well

[Lead]

You wear it well, you wear it well

God has graced you and you wear it well

[Choir]

You wear it well

[Unison, Alto's then Sopranos]

It looks good on you

It looks good on you

The gift it looks good on you

It looks good

The gift it looks good on you

It looks good on you

The gift it looks good

And you wear it well

God has graced you and you wear it well

[Choir]

God has graced you and you wear it well

[Tenors]

It looks good on you

It looks good

It looks good on you

The gift it looks good

It looks good on you

The gift it looks good
And you wear it well
God has graced you and you wear it well
