

Word Of My Power

Donald Lawrence

[Choir and Lead:]

By the word... of my power... I speak... over you

Blessings of health... blessings of wealth

Your pain... erased

Your troubles... erased.

Your tears... erased

Your sickness... erased.

Cancer... no more

Depression... no more

Addictions... no more

AIDS... no more

Your debts... erased (2x)

A smile... on your face (2x)

The Blessing... is on you, God's promise... to you (2x)
