

# Call Me Papa

Donavon Frankenreiter

Moon comes up  
And the moon goes down  
Another sleepless night  
Another sleepless town  
I got you  
I got you

Whenever I think about  
What I lost  
I change my mind instead  
To what I still got  
Cause I got you  
I said I got you

Well you can call me papa  
And I'll call you baby  
Don't forget your momma's my baby too  
Wherever you go  
Whatever you do  
I will be there  
I'll be there for you

Soon enough you know  
I'll be around  
But that ain't soon enough  
Cause it ain't right now  
I need you  
I said I got you

When you close your eyes  
And you drift to sleep  
From time to time  
I hope you're running to me  
I'm thinking of you  
I hope you see me to

Well you can call me papa  
And I'll call you baby  
Don't forget your momma's my baby too  
Wherever you go  
Whatever you do  
I will be there  
I'll be there for you

Well you can call me papa  
And I'll call you baby  
Don't forget your momma's my baby too  
Wherever you go  
Whatever you do  
I will be there  
I'll be there for you
