

Hit The Ground Running

Donavon Frankenreiter

There's a wind from the West
Comin' on strong
It won't be long till things start kicking in

Wild cats fall
Ready or not
Here's a shot
It won't get away again

Cause this time we're not gonna quit
This time just for the fun of it
We're gonna hit the ground runnin'
We're gonna hit the ground runnin'
It won't see us coming
We're gonna hit the ground, hit the ground

There's no regrets this time round
Were gonna get on down no matter what it takes
Well we heard it said in the past
It'll never last
But I know were gonna be here to stay

Cause this time we're not gonna quit
This time just for the fun of it
We're gonna hit the ground runnin'
We're gonna hit the ground runnin'
It wont see us coming
We're gonna hit the ground, hit the ground

Cause this time we're not gonna quit
This time just for the fun of it
We're gonna hit the ground runnin'
We're gonna hit the ground runnin'
We're gonna hit the ground runnin'
We're gonna hit the ground runnin'

It wont see us coming
Were gonna hit the ground, hit the ground, hit the
