

Lovely Day

Donavon Frankenreiter

All I see is sunny skies
Everytime I look into your eyes
Here we go again my friend
Staying together till the end

It's gonna be
A lovely day
It's gonna be
A lovely day
It's gonna be
A lovely day
It's gonna be
A lovely day

Being down in the open air
Living life like we just don't care
Just doing what we want to do
Not doing what we supposed to do

It's gonna be
A lovely day
It's gonna be
A lovely day
It's gonna be
A lovely day
It's gonna be
A lovely day

We'll just flow
On top of the
Clouds that cover
Our skies I say

We'll just fly
On top of the
Clouds that cover
Our skies each day

It's gonna be
A lovely day
It's gonna be
A lovely day
It's gonna be
A lovely day
It's gonna be
A lovely day
